### Teijin Frontier to Exhibit at DOMOTEX 2018

**Tokyo, Japan, January 9, 2018** --- Teijin Frontier Co., Ltd., the Teijin Group's fibers and products converting company, announced today that it would participate in DOMOTEX 2018, a leading trade fair specialized in floor coverings. The show will take place at Hanover Fairground in Hannover, Germany from January 12 to 15. This will mark Teijin Frontier's second appearance at the event.

Teijin Frontier's stand (F70, Hall 011) will showcase a variety of innovative floor coverings, including carpet tiles and broadlooms, decorated with Japanese design themes such as bamboo, moss and rock gardens, cherry blossoms, autumn leaves, running water and traditional roof tiles. The products combine the distinctive beauty of Japanese design with "made in Japan" quality.

The stand will also present carpets featuring bold patterns, shading and raised profiles that have been created with special machinery, beautiful color gradation achieved with advanced dyeing processes, and three-dimensional patterns printed with a proprietary processing technology. The displays will include both carpets for commercial facilities and throw carpets with non-slip backings for homes.

Teijin Frontier is looking forward to developing new customers and expanding awareness of its floor-covering lineup by participating in DOMOTEX 2018, which is expected to attract over 1,400 exhibitors and some 45,000 visitors from 100 countries.
