Notice Regarding Determination of the Issue Price for Stock Acquisition Rights as Stock Options

Teijin Limited (“the Company”) announced today that following a resolution to issue stock acquisition rights as stock options to Directors and employees at a meeting of the Board of Directors held on February 28, 2018, the Company has determined the issue price for the stock acquisition rights, as detailed below.

1. Issue price of the stock acquisition rights

(the amount to be paid-in in exchange for one stock acquisition rights)

346,400 yen for one stock acquisition right (1,732 yen per share)

Note: The Company shall pay monetary compensation equivalent to the total amount of the issue price of the stock acquisition rights to the eligible persons indicated in item 2. below. The right to claim this compensation will be offset against the obligation to pay the amount to be paid for the stock acquisition rights. Through this process, the eligible persons shall acquire the stock acquisition rights.

2. Persons eligible to receive the allotment of stock acquisition rights and the number of stock acquisition rights to be allotted

Directors of the Company :	6 people	98 stock acquisition rights
Important employees of the Company :	24 people	196 stock acquisition rights

(Corporate Officers and certain other personnel with equivalent standing)

3. The amount to be included in capital from the issue price for shares when stock is issued upon the exercise of stock acquisition rights

The increase in capital stock shall be one half of the maximum value of the increase in capital, etc. calculated in accordance with Article 17, Paragraph 1 of the Corporate Accounting Regulation, and when the results of the calculations include fractions of yen, these fractional values shall be rounded up to the nearest yen. Any remaining amounts shall be included in capital surplus.
