NEWS RELEASE

Teijin Frontier to Hold Virtual Comprehensive Exhibition

Tokyo, Japan, June 30, 2021 --- [Teijin Frontier Co., Ltd.](#), the [Teijin Group](#)'s fibers and products converting company, launched a virtual comprehensive exhibition <https://tfr-virtual-exhibition.com/> on June 29. English and Chinese support from mid-July to September 30.

Teijin Frontier will showcase environmentally friendly materials and materials and products, mainly clothing, that meet needs for new-normal lifestyles:

- Environmentally friendly materials

New eco-friendly materials and products including *ECOPET*[®], a recycled polyester fiber launched in 1995, and another material that partly incorporates organic cotton.

- Comfortable and functional materials and products

Daily wear and coordinated clothing made with comfortable and highly functional materials suited to new-normal lifestyles and diversifying workstyles in response to COVID-19.

The exhibition will be held virtually as conventional physical exhibitions have been suspended due to COVID-19.

About the Teijin Group

Teijin (TSE: 3401) is a technology-driven global group offering advanced solutions in the fields of environmental value; safety, security and disaster mitigation; and demographic change and increased health consciousness. Originally established as Japan's first rayon manufacturer in 1918, Teijin has evolved into a unique enterprise encompassing three core business domains: high-performance materials including aramid, carbon fibers and composites, and also resin and plastic processing, films, polyester fibers and products converting; healthcare including pharmaceuticals and home healthcare equipment for bone/joint, respiratory and cardiovascular/metabolic diseases, nursing care and pre-symptomatic healthcare; and IT including B2B solutions for medical, corporate and public systems as well as packaged software and B2C online services for digital entertainment. Deeply committed to its stakeholders, as expressed in the brand statement "Human Chemistry, Human Solutions," Teijin aims to be a company that supports the society of the future. The group comprises more than 170 companies and employs some 20,000 people across 20 countries worldwide. Teijin posted consolidated sales of JPY 836.5 billion (USD 7.7 billion) and total assets of JPY 1,036.4 billion (USD 9.5 billion) in the fiscal year that ended on March 31, 2021.
